## Does Coaching Continue once my child joins the golf club?

Continued development and improvement becomes an even bigger responsibility once children have decided to join the golf club.

Our PGA coaches believe it is vital to maintain the interest and enthusiasm of our junior members. We have many of our junior members representing the County at various levels and some are part of National squads. We believe our Junior Academy offers the opportunity for children to enter the game of golf in an enjoyable learning environment.

## How do I start my child in golf?

### Monday Club Nights

Club nights start in April and run from 5.30pm to 7.30pm. Your child's first session is free and subsequent attendance is £2 per session. Club nights are for children of all abilities age 5 years and up and we will provide all equipment free of charge. These sessions are primarily based around teaching the basics of golf in a friendly, relaxed and fun environment.

**Contact Rachel Jeffery on 07921 996716 for more information.**

## What about more regular coaching?

### Sunday Roll Up Coaching Sessions

As a club we run our own bespoke Junior Golf Programme. This provides a pathway to Junior Membership, continuing on to representing the Junior Team and beyond.

Sunday Roll Up coaching sessions take place every week throughout the year for children of all abilities age 5 years and up, 9.45am - 11am and 11.15am - 12.30pm. All equipment is provided. Cost is £5 per session. In addition we run holiday camps throughout the year.

## Junior Membership

### Junior Associate Member (JAM)

Junior Associate membership is a great way for your child to start, it gives access to all of our practise facilities at Knowle as well as our 5 hole par 3 course on the practice ground.

### Junior Membership

As your child's game progresses, they can move on to Junior membership which will give them full access to the course.
